7 Easy Icebreakers You Can Do With Post-It Notes

- 1 Hidden Treasure**
Write several icebreaker questions on the sticky side of post-it notes and stick them to the board. Each S takes turns choosing 1 sticky note and answering the question on the back. He then chooses another S to answer the same question.
- 2 Two Truths And A Lie**
Give each student 3 post-it notes. On 2 notes, she writes something true about herself; on the third - something false. Ss share in groups of 4-5 and try to guess which statement is each player's lie.
- 3 Question Mixer**
Write the name of a well known person on a sticky note (write enough so everyone in class has one). Stick a note to each S's back. Students ask classmates 1 yes/no question at a time until they have figured out who is on their back.
- 4 Where Are You From?**
For a class of internationals, give each person a post-it note flag to place on their home country on your classroom world map. After everyone has placed their post-it, students try to guess whose note is whose.
- 5 Get To Know You**
Have each S write 5 facts about him/herself on a post-it note, then put the notes on the board (T writes one, too). Choose one and read it aloud. Try to guess who wrote it. When you get the right S, that person takes a turn with the remaining notes. Continue until all the notes are gone.
- 6 A Matched Set**
Ss write 5 fun facts about themselves, turn the paper in to you. Write each fact on a post-it along with a matching one with that student's name. When Ss are not in the room, put the post-its all around the room. Ss race to match the names with the correct facts (they can't match their own name).
- 7 All-Star Class**
Have each S draw a self portrait and display them on a bulletin board in class. Each person writes a positive adjective describing each of his classmates on a star shaped sticky note and sticks it to the self portrait. Do this activity in 1 day or over a period of time, let Ss take their portraits home.
