Feel the Electricity of Beau Bender....

There are many pleasures to be found in the Fort Lauderdale sun, but few are as deliciously sinful as 34-year-old Beau Bender, whom you might encounter as he whizzes by on his in-line skates. "I figured if it be just like ice skating—which I was good at—so I went out and bought skates with inverted wheels for high speed. All you could see were my legs flying up in the air every time I wiped out! I'm a lot better at it now."

Originally from Cuba, this 5'8", 160-pound nutritionist likes things simple and natural. "A lot of women feel that they have to doll themselves up for men. The more natural a woman looks, the more beautiful she is to me," he says emphatically.
